

Insurance and Billing Information

DUE AT THE TIME OF SERVICE:

Insurance card is required to be presented at each visit.

All co-payments are due at the time of check-in. If you do not have copay, a \$50.00 payment may be required prior to your appointment and will be applied to your deductible/co-insurance.

Non-covered charges (those considered to be cosmetic by your insurance company) are due at the time of check-out.

In the event you do not have your insurance card or co-pay at the time of your visit you will be asked to reschedule your appointment.

INSURANCE PLANS: Sutton Ryan Dermatology and Aesthetic Center participates with all major local and national health plans. However, an occasional health plan may not offer participation to physicians in the area. It is your responsibility to make sure the provider you are seeing is a participating provider with your health plan. Some health care plans may not cover services such as removal of benign or non-irritated growths. These would be considered cosmetic and payment is due at the time of treatment. *Copays: Some insurance requires copay for your office visit and separate copay for your pathology charges.*

Once insurance has processed the claim, you are responsible for payment in full by the due date.
