

DEPOSIT POLICY

It is the policy of Sutton Aesthetics to require a \$100.00 deposit when scheduling procedures that require one hour blocks of time. Appointments requiring hour long procedures are: Filling Material, Fraxel, and Liquid Face Lifts.

The \$100.00 deposit will go towards the cost of your procedure. Failure to cancel your appointment within 24 hours or not showing for the scheduled appointment will result in forfeiting the \$100.00 deposit.

I _____ have read and understand the deposit policy for Sutton Aesthetics.
